Medication Pick Up

The end of the school year is fast approaching! If your child has any medications at school we ask that you please plan on picking them up **by 11AM on May 30th**. Any medication not picked up by this time will be disposed of safely and properly at a medication disposal site as we are not allowed to keep medications in the school over the summer. **We are not allowed to send any medications home with students.** Also a reminder if your student requires prescription medication to get the medication consent form signed by their physician before the start of the 25/26 school year.
