MEDICATION PICK UP

The end of the year is right around the corner! Student medications must be picked up by a parent/guardian no later than noon on the last day of school. Any remaining meds will be disposed of by our district nurse on June 2. Medications may not be stored in the building over the summer.

LIFE SKILLS CAMP

Has your child ever made a deposit at the bank? Kids need to understand money, and the summer is a great time to practice. Here's a short video filmed at a local Lake Michigan Credit Union to help your kids have the confidence to speak to a teller all by themselves:

NRG ROBOTICS SUMMER CAMP

Robotics Summer Camp Opportunity for students finishing 4th-6th grade: Code Red Robotics is offering our NRG Summer Camp once again this year. Camp will take place June 2-5 and 7 in the robotics space at Byron Center High School. NRG is a competitive robotics program for grade 4-6 students where each student builds and modifies their own Arduino robot to play a game. Parents attend each session with their student to assist and serve as a drive coach. In addition to robot work and drive practice, first time students complete STEM challenges, and returning students learn basic programming for their robots. The summer camp culminates in a tournament complete with qualification matches, playoffs, and an award ceremony. Sessions on Monday-Thursday, June 2-5 will take place 6:30-8:30 pm. Saturday, June 7 will be the tournament, 7:45 am-3:00 pm. Cost for first time students is \$150.00 (cost includes Arduino robot kit, a carrying case, and a shirt) and \$50.00 for returning students.

If you would like to register your child for camp, please use this link to the [NRG Summer Camp Registration Form](#). There is a link to the camp schedule included in the form. If you have any questions or need more information, please email linda.baas@coderedrobotics.com. Join us as we have fun with robots and play the game Save the Ducks!
