

Byron Center Public Schools MARSHALL ELEMENTARY

September 3, 2026

Labor Day No School

Just a reminder, there will be **NO SCHOOL** on Friday, September 4 and Monday, September 7, 2026 in observance of the Labor Day holiday. Enjoy this time with your family! School will resume Tuesday, September 8, 2026.

64th Street Road Closure

VERY IMPORTANT: 64th Street will be closed starting Friday, September 4th for 2 weeks.

You will not be able to drive Eastbound on 64th from Byron Center Avenue. You will have to come to Marshall from Burlingame Avenue. Please know bus schedules will also be affected, buses may be late due to averted traffic and rerouting.

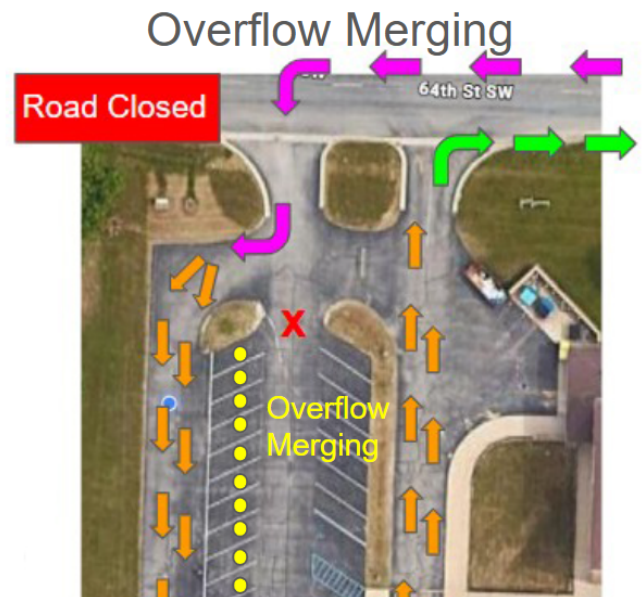

AM Drop-Off: A single line of cars at morning drop-off has been going well, we will keep that the same.

- **Overflow Merging:** If you are backed up on the road, please enter the parking lot and park in the far west row of parking spots (closest to the construction) and wait to merge into the drop-off line. Please do not exit your car. We need everyone off the street in an effort to keep traffic flowing.

PM Pick-Up: Please create a double line of cars for pick-up, stopping at the crosswalk for our loading zone. We were glad to have 2 days of practice before the closure.

- **Overflow Merging:** If you are backed up on the road, please enter the parking lot and park in the far west row of parking spots (closest to the construction) and wait to merge into the pick-up line. Please do not exit your car. We need everyone off the street in an effort to keep traffic flowing.

You have all been absolutely amazing with the change! Thank you!! Please review the [Construction Adjusted Pick-Up](#) and the [Double Lane Pick-up Procedure](#) that was sent out earlier this week. Thank you for your continued support and patience. Please feel free to contact the office with any questions.

Lunch Menu Change

Wednesday, September 9th: Lunch will be a Crispy Baked Chicken Sandwich (not a hamburger). Two options were accidentally posted online.

School Photo Forms

Inter-State Studio School Picture Forms were sent home this past week. These forms are not student specific. Please complete the form and send it with your student(s) on picture day.

Friday, September 11, 2026: Mrs. Chateau & Mrs. Eilers classes before PE. Mrs. Sherer, DK, Kindergarten and 1st-4th grades following. If you would like a yearbook only they can order using code: 0699ND. [Yearbook ONLY Link](#).

- Picture retakes will be Thursday, October 22, 2026 (morning)

MAPS Events

Fund Run

Fund Run fundraising officially kicks off Friday, September 11, with our Fund Run taking place on Friday, October 2! More information will be going home with students next week. We'll also be sharing volunteer opportunities soon, so please keep an eye out for those.

MAPS Information Night

We're hosting a MAPS Information Night on Tuesday, September 22 at 6:00pm. This is an opportunity for parents to learn more about what MAPS does, how we support Marshall, and ways they can get involved. Pizza and childcare will be provided! Please feel free to encourage families who may be interested to join us.

Marshall Tailgate

Our annual Marshall Tailgate will be Friday, October 9. We'll be sharing more information and an RSVP with families soon.

New This Year — Electronic RSVPs

All RSVPs for MAPS-sponsored events will be electronic this year! We'll be using Google Forms to collect RSVPs from families instead of paper forms. We're hoping this will make things easier to organize and be a smooth transition for everyone.

We're excited for another fun year!

Color Run

XC is holding our homecoming color run on Thursday, September 24 at West Middle School (WMS) at 6:00. Registration is at www.byroncenterathletics.com/registrations.

Homecoming Parade

Student Life and Leadership is starting to plan the parade, and we need all BC coaches, club leaders, and BC groups to be invited to participate! Please review the [Parade Guidelines](#) for participants to follow. Please reach out if you have any questions: 28sleale@bcpsk12.net.

Robotics: Code Red Robotics FIRST LEGO League (FLL) Program

Students in 2nd through 4th grade are invited to join Code Red Robotics' FIRST LEGO League (FLL) for the 2026 season. In FLL, students explore the engineering process, learn design and coding skills, and use creative thinking to develop solutions. This year's theme is BIOGLOW. Working in teams and using LEGO technology, students will explore coding concepts through the lens of biodiversity. If you have any questions, contact Scott Keith at keithsmcorp@gmail.com or (269) 364-1407.
