Student Pick up and Drop off (New Driveway Entrance for Nickels) :

Dear Parents and Guests-

The following diagram shows the directional flow of how pickup, drop-off, and parking will occur before, during and after school at Nickels Intermediate. Please note that the pickup/drop-off lanes directly in front of the building are one way and counter-clockwise. Students should exit to the sidewalk on the passenger side of your vehicle. Please be sure to pull forward if space allows along the curb. Once your student is safely dropped off, it is ok to pull out into the exit lanes. **Do not use the middle lane for entering Nickel's driveway.** Please continue to use the designated drop off/pick up loop when dropping off or picking up your student at school. **Please do not use the bus loop (west of the school), the main drive between West and Nickels.**

After school dismissal, students at Nickels will get on a transfer bus and ride it over to the bus rodeo (located at Heritage Elementary), students will transfer to their home bus at this location. In the past, some parents came to the bus transfer area (bus rodeo) to pick up their kids. We are asking that you avoid picking up your students from the bus transfer area. Our bus riders will load and unload buses on the far west side of the building in a separate and protected lot designated for this purpose. When picking up your student at the end of the school day please exit towards 84th street.

Cell Phone Expectations and Consequences:

Our policy states that all cell phones must be off and stored in a student's locker (or homeroom teacher's classroom) from 7:30-2:50 each day. This policy is a three strike system. Please review the consequences below with your student to ensure understanding of cell phone use at school.

Cell Phone Policy (Electronic Device Policy)

1st Offense – Device is taken away for the remainder of the day.

2nd Offense – Device is taken away, parents are called, and parents must come pick up device from school.

3rd Offense – Parent is called and device is banned permanently from the school for the remainder of the year.

Our goal with this policy is to help all students focus on learning throughout the school day. Thank you for partnering with us!

Nurses Corner:

Medication Consent Form 25/26

Medication Policy Reminders:

1. If your student needs to take medication while at school they **MUST** have a medication consent form completed.

Prescription meds require BOTH a parent/guardian AND a physician signature. Over the counter (OTC) meds require a parent/guardian signature only. No student will be administered medication without the proper consent forms.

2. Please remember that students are **NOT** allowed to self carry ANY medications (prescription or OTC) per our district policy **UNLESS** it's an emergency medication and we have the appropriate forms completed and signed.

3. All medications must be stored in the office and brought to school by a parent/guardian. They must be in the original container with the appropriate label (and not expired). We will not accept any medications in baggies, envelopes, etc.
