School Closing Menu Procedure:

What is on the lunch menu when students come back to school after an unscheduled school closing, for example a snow day? The lunch planned for the "Snow Day" menu is served the next day school resumes. The kitchen staff prepare a day in advance therefore the food for the "Snow Day" menu is already prepped and ready to cook. For example: school is canceled on Tuesday and resumes on Wednesday, Tuesday's lunch is served on Wednesday when the students return. Wednesday's lunch will be SKIPPED entirely. On Thursday, we will be back on schedule with Thursday's menu.

SCHOOL CLOSURE FOR MULTIPLE DAYS:

- In the event the school closes for consecutive days in a row, no hot lunch will be served during that time.
- When school opens up the following procedure will be followed: The lunch that was to be served on the first snow day will be served and then the current menu will be followed for the following school day.

For example: If the school closes on Monday and resumes on a Wednesday the lunch will be what was on Monday. Then the calendar menu will pick back up for the following day (what the lunch choice would be on Thursday).

Fresh Baked Cookies will be available every Friday for purchase ~ If your student would like to purchase one they are \$1.00 each.

Family Tech Tip #5:

Create a family tech plan with your kids.

Want your tech rules to stick? Include your kids in creating them! When children and teens help design the family's technology guidelines, they're more likely to follow them. Plus, having a shared plan helps parents model responsible device use too.

Create your family tech plan by answering these four key questions together:

- WHERE will screens be used? (And where won't they?)
- WHEN are good times for devices? (And when are they off-limits?)
- WHAT will we use screens for? (Identifying purposeful vs. mindless use)
- HOW LONG is reasonable for different activities?

Grab a whiteboard or paper and brainstorm boundaries together that will protect your:

- Family relationships and connection time
- Healthy sleep habits
- Physical activity and outdoor time
- Mental well-being

Remember: Your family tech plan can evolve as your children grow and technology changes. The goal is creating clear expectations that everyone commits to following. Display your plan somewhere visible – it'll come in handy during those "just five more minutes!" negotiations!

School News Network Reader Survey:

Cell Phone Expectations and Consequences:

Our policy states that all cell phones must be off and stored in a student's locker (or homeroom teacher's classroom) from 7:30-2:50 each day. This policy is a three strike system. Please review the consequences below with your student to ensure understanding of cell phone use at school.

Cell Phone Policy (Electronic Device Policy)

1st Offense – Device is taken away for the remainder of the day.

2nd Offense – Device is taken away, parents are called, and parents must come pick up device from school.

3rd Offense – Parent is called and device is banned permanently from the school for the remainder of the year.

Our goal with this policy is to help all students focus on learning throughout the school day. Thank you for partnering with us!

When to keep your student home from school

Hand 2 Hand:

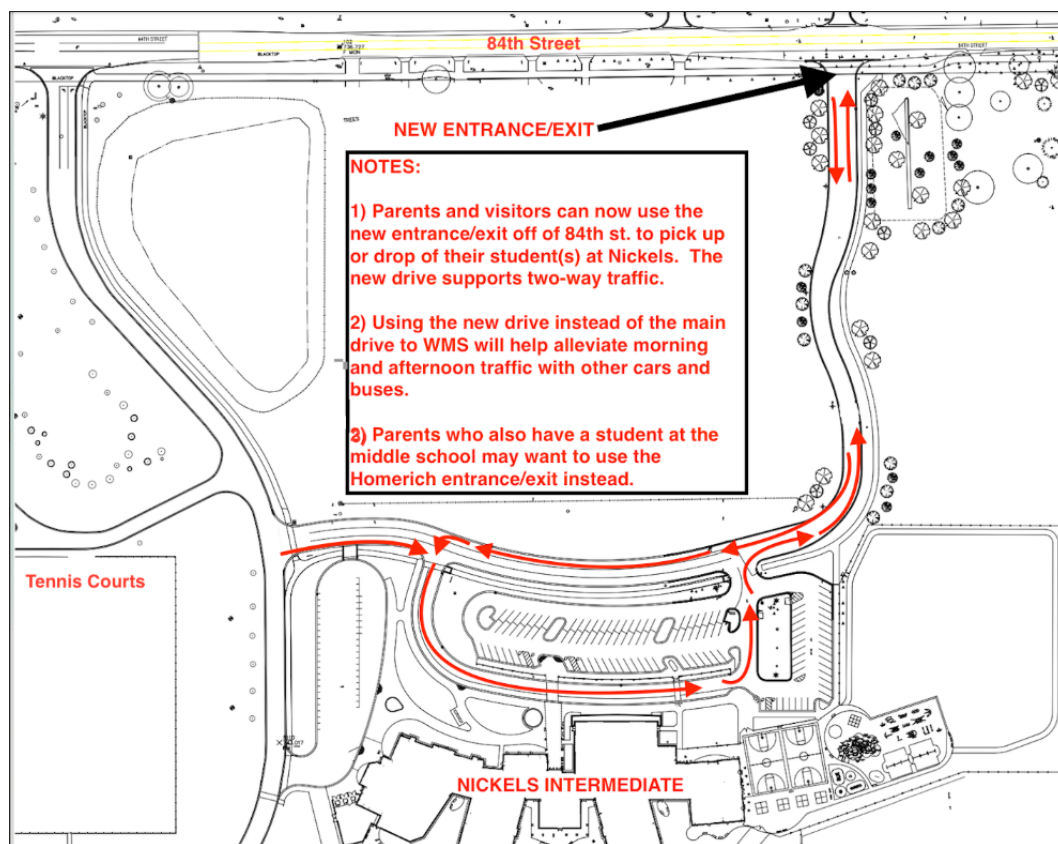

Dear Parent/Guardian:

We would like to offer your student the opportunity to participate in a program at Nickels Intermediate called "Hand2Hand". This program helps provide a student with food/snacks for the weekends!

Here's how Hand2Hand will work: At the end of the week students who are signed up will receive a minimum of 10 food items in a black school logo drawstring bag that will be provided at the first week of participation (subsequent weeks will be a plastic bag). These food items will be a combination of breakfast, snacks, lunch and/or dinner items. While the food items are meant for the student, they can be shared among the family as well. (Please note: if your student or another family member has food allergies it will be the responsibility of the parent/guardian to check the contents of the backpack each week to ensure the food doesn't contain ingredients which could cause an allergic reaction).

There is no cost to participate! If you sign your student up to receive Hand2Hand, they will continue to receive the weekly bags each week. This opportunity is being provided by Corinth Reformed Church in Byron Center. To learn more about Hand2Hand, please visit their website: h2hkids.org. Fill out form [HERE](#).

Student Pick up and Drop off (New Driveway Entrance for Nickels) :

Dear Parents and Guests-

The following diagram shows the directional flow of how pickup, drop-off, and parking will occur before, during and after school at Nickels Intermediate. Please note that the pickup/drop-off lanes directly in front of the building are one way and counter-clockwise. Students should exit to the sidewalk on the passenger side of your vehicle. Please be sure to pull forward if space allows along the curb. Once your student is safely dropped off, it is ok to pull out into the exit lanes. **Do not use the middle lane for entering Nickels' driveway.** Please continue to use the designated drop off/pick up loop when dropping off or picking up your student at school. **Please do not use the bus loop (west of the school), the main drive between West and Nickels.**

After school dismissal, students at Nickels will get on a transfer bus and ride it over to the bus rodeo (located at Heritage Elementary), students will transfer to their home bus at this location. In the past, some parents came to the bus transfer area (bus rodeo) to pick up their kids. We are asking that you avoid picking up your students from the bus transfer area. Our bus riders will load and unload buses on the far west side of the building in a separate and protected lot designated for this purpose. When picking up your student at the end of the school day please exit towards 84th street.
