Byron Center Public School students are auditioned members of West Michigan Youth Ballet and will be performing in *The Nutcracker* ballet. We are happy to welcome families from your schools and appreciate your support in allowing us to share performance information.

Key Card Sale:

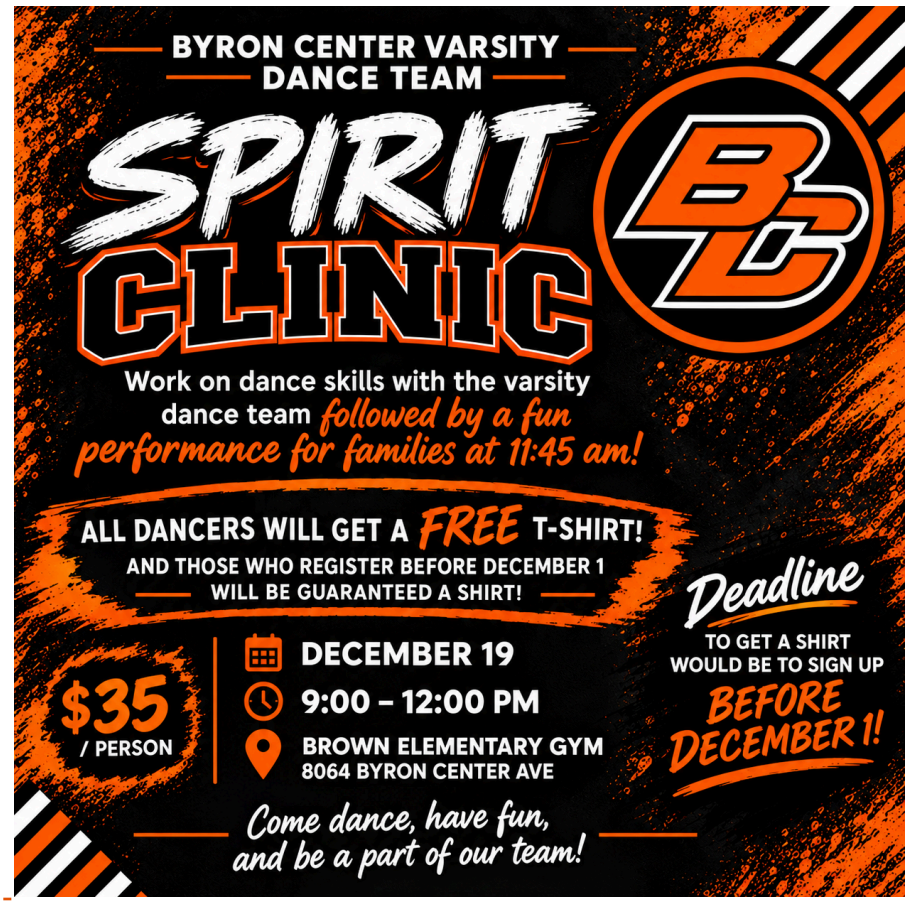

Our Annual Key Card sales have begun. 50% of the Sale Proceeds goes to our Nickels Students. For the 5th grade students, the sale proceeds go towards the 5th grade class end of the year Field trip and Holiday party. For the 6th grade students, the sale proceeds go towards their Holiday party and individual student accounts to help with their end of the year Field trip. Your student will bring home a sample for you to review and to show to family and friends. If you're not interested in the key card book, please send the book bag back to school. Thank you for Supporting Nickels! Sale Ends December 4th.

Cell Phone Expectations and Consequences:

Our policy states that all cell phones must be off and stored in a student's locker (or homeroom teacher's classroom) from 7:30-2:45 each day. This policy is a three strike system. Please review the consequences below with your student to ensure understanding of cell phone use at school.

Cell Phone Policy (Electronic Device Policy)

1st Offense – Device is taken away for the remainder of the day.

2nd Offense – Device is taken away, parents are called, and parents must come pick up device from school.

3rd Offense – Parent is called and device is banned permanently from the school for the remainder of the year.

Our goal with this policy is to help all students focus on learning throughout the school day. Thank you for partnering with us!

Hand2Hand:

Dear Parent/Guardian:

We would like to offer your student the opportunity to participate in a program at Nickels Intermediate called “Hand2Hand”. This program helps provide a student with food/snacks for the weekends!
Here’s how Hand2Hand will work: At the end of the week students who are signed up will receive a minimum of 10 food items in a black school logo drawstring bag that will be provided at the first week of participation (subsequent weeks will be a plastic bag). These food items will be a combination of breakfast, snacks, lunch and/or dinner items. While the food items are meant for the student, they can be shared among the family as well. (Please note: if your student or another family member has food allergies it will be the responsibility of the parent/guardian to check the contents of the backpack each week to ensure the food doesn’t contain ingredients which could cause an allergic reaction).
There is no cost to participate! If you sign your student up to receive Hand2Hand, they will continue to receive the weekly bags each week.This opportunity is being provided by Corinth Reformed Church in Byron Center. To learn more about Hand2Hand, please visit their website: h2hkids.org.

Fill out form HERE.

Nurses Corner:

Medication Consent Form 26/27 Medication Policy

Reminders:

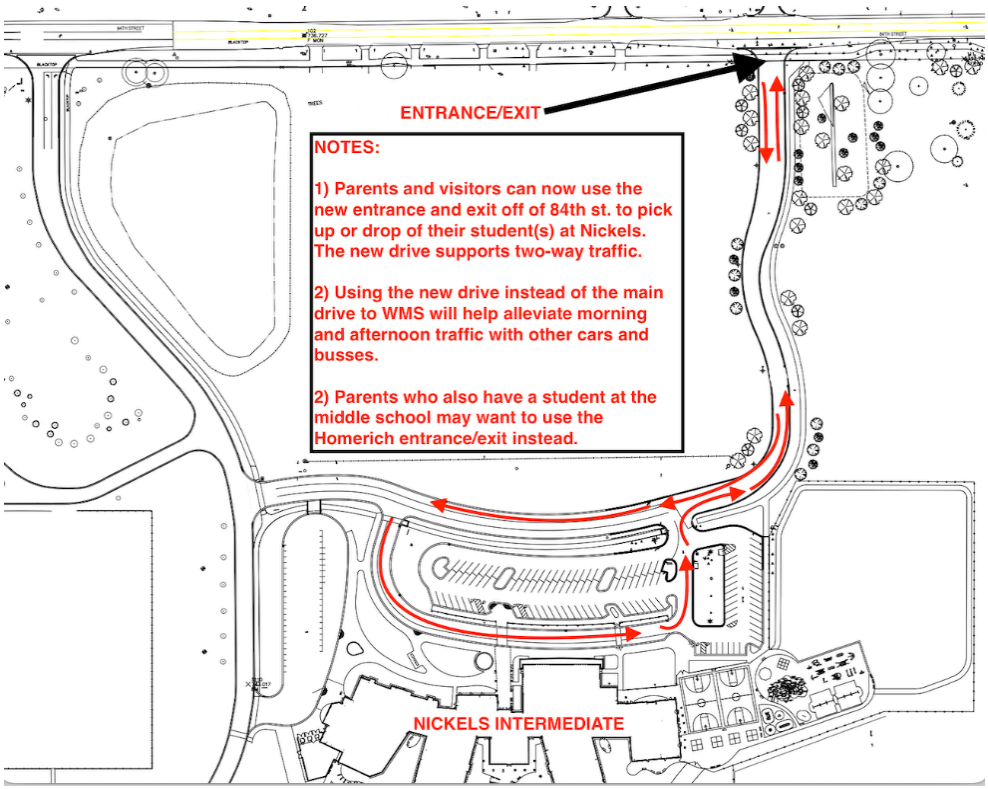

1. If your student needs to take medication while at school they MUST have a medication consent form completed. Prescription meds require BOTH a parent/guardian AND a physician signature. Over the counter (OTC) meds require a parent/guardian signature only. No student will be administered medication without the proper consent forms.

2. Please remember that students are NOT allowed to self carry ANY medications (prescription or OTC) per our district policy UNLESS it’s an emergency medication and we have the appropriate forms completed and signed.

3. All medications must be stored in the office and brought to school by a parent/guardian. They must be in the original container with the appropriate label (and not expired). We will not accept any medications in baggies, envelopes, etc.

Student Pick up and Drop off for Nickels Intermediate:

Dear Parents and Guardians-

This is just a reminder to be very mindful of students and pedestrians during pick up and drop off time at Nickels. When we have snow and slick roads, along with less daylight it can make it even more challenging to ensure the safety of pedestrians, so we respectfully ask that everyone follow a few simple rules to help with this: Please be patient, do not speed, and drop your student off in the drop off lane closest to the curb and sidewalk.

- Please do not drop students off anywhere that requires them to cross any vehicle traffic flow.
- Please pull forward if space allows, but students can be dropped at any point along the curb before or after the main doors provided they exit on the curb for safety. Utilize the entire length of the sidewalk, rather than dropping students off directly in front of the main door.
- Please be careful when pulling out or merging to exit, as other cars may already be present and/or attempting to exit.

Thank you for your assistance! **Informational Video of the Drive to Nickels**

PowerSchool and Schoology:

These two platforms are PowerSchool and Schoology. We logged in to these at school this week and started exploring how we will use them in class. Below is the difference between the two.

PowerSchool - this is where grades are posted. If you are wondering what your child received on a formative, summative, or any other assignment, this is the site you should use. Missing assignments can also be found here.

Schoology - this is where the learning happens. If your child needs to find materials we use at school (study guides, homework, links to review games), this is the site you should use.

When you first log into Schoology, there will be an "Updates" page. I use this as an "online planner." If you need to know what homework, formative, or summative are coming up, this is the site to use.

Logging into Schoology

Directions on how to log in to Schoology and PowerSchool can be found in the folder you picked up at the open house. Along with this, below are links that may be helpful.

Classroom Beverage Policy:

We know that parenting can be both joyful and exhausting, and we appreciate all that you do to support your child each day. As partners in your child's well-being, we want to share a reminder about beverages brought to school. Health experts, including the American Academy of Pediatrics, advise that caffeine can have negative effects on children. They recommend that children under age 12 avoid caffeinated drinks entirely, and that adolescents (ages 12–18) limit caffeine intake to less than 100 mg per day. Many popular drinks, especially energy drinks, exceed this amount and can pose concerns for students' health, focus, and overall well-being. To support a healthy and focused learning environment, **only non-caffeinated, clear liquids will be allowed during the school day**. This means that items such as coffee, pop, and energy drinks should not be brought to school. Thank you for your partnership in helping us create a safe and supportive environment for all students.
