2026 BCMS Baseball Season:

It's never too early to think about baseball! For the last several years we have been able to offer a club baseball season through a partnership with the Michigan Middle School Baseball League. We participate in this 8 week league that is based out of Meijer Sports Complex (Rockford). Games are played on Tuesdays/Thursdays throughout March - April. We will once again be offering teams at the 6th, 7th, and 8th grade levels. Tryouts will be held in early January, but for planning purposes we'd like to gauge interest now. Please note, if you are new to the district or an incoming 6th grade family, this is a club sport and it is not affiliated with BCPS. Families are required to cover player/league costs, and historically it's been about \$200 per player. This includes a uniform package, league registration, insurance, game balls, umpire fees etc. If you'd like to try out, please complete this interest [survey](#). Tryouts will be held in January and more information will be sent at a later date.

2026 BCMS Baseball Coach: 6th Grade Head Coach: Dan Sterckx

Ski and Snowboard Club:

A club for 5th through 12th grade students who enjoy hitting the slopes together. The bus spots are full for the 25-26 season, but you can still join and meet us at Bittersweet on our ski club nights.

See the [information document](#) for details.

Cooler Weather Gear:

As the weather turns colder please have your child dress warmly for recess (sweatshirt, pants, winter coat, gloves, hat, boots and snow pants). Students do go outside unless the temperature/wind chill is below Zero.

Medication Policy Reminders:

1. If your student needs to take medication while at school they **MUST** have a medication consent form completed. Prescription meds require **BOTH** a parent/guardian **AND** a physician signature. Over the counter (OTC) meds require a parent/guardian signature only. No student will be administered medication without the proper consent forms.
2. Please remember that students are **NOT** allowed to self carry **ANY** medications (prescription or OTC) per our district policy **UNLESS** it's an emergency medication and we have the appropriate forms completed and signed.
3. All medications must be stored in the office and brought to school by a parent/guardian. They must be in the original container with the appropriate label (and not expired). We will not accept any medications in baggies, envelopes, etc. Amy Voiles RN-BSN Direct Phone: 616-878-6414 Fax Number: 616-345-1924

Family Tech Tip #3:

"Reset the room" to make space for screen-free hobbies and activities.

Here's a secret no one talks about when it comes to reducing screen time: it's called "resetting the room." It's a simple strategy for making future habits easy.

Thoughtfully arranging your space can make a big difference in encouraging screen-free activities. When kids see toys, books, and art supplies easily displayed and within reach, they naturally gravitate toward them.

Meanwhile, keeping screens tucked away when not in use makes them less of a default choice.

This environmental design approach is backed by behavioral science—we tend to choose activities that are convenient and visible.

This isn't just for little kids. Your pre-teens and teens will also gravitate toward what they see around them, whether it's a recipe book, a drum set, or a backyard game.

Want an easy (and free!) way to refresh your space? Use our local library. Beyond books, our library offers a "library of things"—you can borrow puzzles, instruments, tools, kitchen supplies, and more.

How will you arrange your home to showcase the activities your family loves and inspire new screen-free interests?

"If you're interested in meeting up with other parents and kids screen-free here and there, feel free to reach out to Katie Kimball (parent of a 5th grader) at mrskatiekimball@gmail.com to get connected."

Cell Phone Expectations and Consequences:

Our policy states that all cell phones must be off and stored in a student's locker (or homeroom teacher's classroom) from 7:30-2:50 each day. This policy is a three strike system. Please review the consequences below with your student to ensure understanding of cell phone use at school.

Cell Phone Policy (Electronic Device Policy)

1st Offense – Device is taken away for the remainder of the day.

2nd Offense – Device is taken away, parents are called, and parents must come pick up device from school.

3rd Offense – Parent is called and device is banned permanently from the school for the remainder of the year.

Our goal with this policy is to help all students focus on learning throughout the school day. Thank you for partnering with us!

Hand 2 Hand:

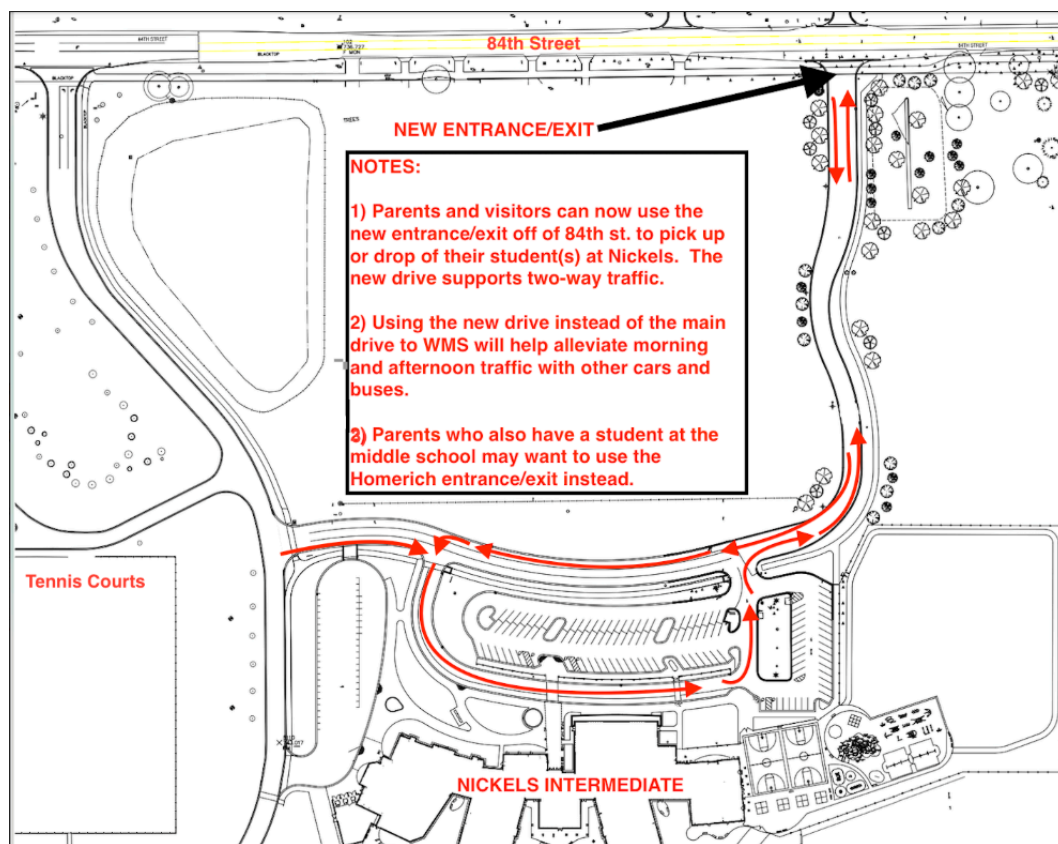

Dear Parent/Guardian:

We would like to offer your student the opportunity to participate in a program at Nickels Intermediate called "Hand2Hand". This program helps provide a student with food/snacks for the weekends!

Here's how Hand2Hand will work: At the end of the week students who are signed up will receive a minimum of 10 food items in a black school logo drawstring bag that will be provided at the first week of participation (subsequent weeks will be a plastic bag). These food items will be a combination of breakfast, snacks, lunch and/or dinner items. While the food items are meant for the student, they can be shared among the family as well. (Please note: if your student or another family member has food allergies it will be the responsibility of the parent/guardian to check the contents of the backpack each week to ensure the food doesn't contain ingredients which could cause an allergic reaction).

There is no cost to participate! If you sign your student up to receive Hand2Hand, they will continue to receive the weekly bags each week. This opportunity is being provided by Corinth Reformed Church in Byron Center. To learn more about Hand2Hand, please visit their website: h2hkids.org. Fill out form [HERE](#).

Student Pick up and Drop off (New Driveway Entrance for Nickels) :

Dear Parents and Guests-

The following diagram shows the directional flow of how pickup, drop-off, and parking will occur before, during and after school at Nickels Intermediate. Please note that the pickup/drop-off lanes directly in front of the building are one way and counter-clockwise. Students should exit to the sidewalk on the passenger side of your vehicle. Please be sure to pull forward if space allows along the curb. Once your student is safely dropped off, it is ok to pull out into the exit lanes. **Do not use the middle lane for entering Nickels' driveway.** Please continue to use the designated drop off/pick up loop when dropping off or picking up your student at school. **Please do not use the bus loop (west of the school), the main drive between West and Nickels.**

After school dismissal, students at Nickels will get on a transfer bus and ride it over to the bus rodeo (located at Heritage Elementary), students will transfer to their home bus at this location. In the past, some parents came to the bus transfer area (bus rodeo) to pick up their kids. We are asking that you avoid picking up your students from the bus transfer area. Our bus riders will load and unload buses on the far west side of the building in a separate and protected lot designated for this purpose. When picking up your student at the end of the school day please exit towards 84th street.
