LINKS is launching for Nickels!

You can use [this form](#) to sign up your student to be a LINK. LINKS is a peer-to-peer program focused on bringing students with and without disabilities together for shared activities where all students learn together. Our LINKS contribute to Nickels' inclusive environment, learn about individual differences and disabilities, and expand their relationships with peers. We recently talked to students about what LINKS might do -- say "hi" to friends in the hallway, walk with a friend to the bus, play with a friend at recess, or look for other ways to make sure everybody is included. If you have questions about your student being a LINK, you can reach out to the LINKS coordinators Cindy Feenstra cfeenstra@bcpsk12.net or Abby Brinks abrinks@bcpsk12.net.

Byron Center Public Schools has a bond proposal on the ballot in the upcoming November 4 election. The district's bond would enhance academic learning environments, fine arts spaces and athletic facilities, while also supporting districtwide technology upgrades and improvements to the transportation center. For more information about the bond proposal, please visit the district's website.

A graphic with a black background and orange accents. In the top left is the Byron Center Public Schools logo, a stylized 'BC' in orange and white. To its right, the text '2025 BOND PROPOSAL' is written in large, bold, orange capital letters. Below this, 'NO TAX RATE INCREASE' is written in white capital letters, with 'projected from the current rate' in smaller white text underneath. On the left side, there is a square QR code. A large, thick orange checkmark is positioned diagonally across the center. On the right side, there is an orange rectangular box with the word 'VOTE' in large white capital letters, 'by' in a smaller, cursive-style font, and 'NOVEMBER 4' in white capital letters below it.

Counselor's Corner:

Counselor Introduction:

It has been an exciting couple of weeks welcoming all the students back for another awesome school year! I wanted to take this opportunity to introduce myself to our new families in the building. I am Shelley Pero, the School Counselor here at Nickels! I will be visiting 5th grade classrooms in the coming weeks to introduce myself and explain the process of how they can connect with me and what opportunities we have to offer. Student referrals come to me through teachers, parents, and student self-referrals. If you have any questions about what I can do to support your student or if you would like for me to schedule a check-in now or in the future, please feel free to reach out. I look forward to continuing to work with familiar faces from last year as well as continuing to meet many more new ones! 🌻

Counseling Groups:

It is almost time to start counseling groups here at Nickels! Counseling groups (often called lunch or small groups) are offered once a week during lunch and recess and meet for 8-10 sessions. If your student is interested in any of the topics offered (see list and sign-up [HERE](#)), please be sure to fill out the digital form or contact the school for a hard copy. Topics will be offered based on demand, and if the topic your student is interested in isn't offered in the fall, there is still a good chance it will be offered later in the year! If you would like more information about any of these small groups or have any questions please feel free to contact me at 878-6418 or spero@bcpsk12.net.

Thank You!

Shelley Pero

School Counselor

Hand 2 Hand:

Dear Parent/Guardian:

We would like to offer your student the opportunity to participate in a program at Nickels Intermediate called "Hand2Hand". This program helps provide a student with food/snacks for the weekends!

Here's how Hand2Hand will work: At the end of the week students who are signed up will receive a minimum of 10 food items in a black school logo drawstring bag that will be provided at the first week of participation (subsequent weeks will be a plastic bag). These food items will be a combination of breakfast, snacks, lunch and/or dinner items. While the food items are meant for the student, they can be shared among the family as well. (Please note: if your student or another family member has food allergies it will be the responsibility of the parent/guardian to check the contents of the backpack each week to ensure the food doesn't contain ingredients which could cause an allergic reaction).

There is no cost to participate! If you sign your student up to receive Hand2Hand, they will continue to receive the weekly bags each week. This opportunity is being provided by Corinth Reformed Church in Byron Center. To learn more about Hand2Hand, please visit their website: h2hkids.org.

Who We Are:

Nickels Family Involvement Team (FIT) is a 501(c)(3) organization that serves as the Parent-Teacher group supporting the staff and students at Nickels Intermediate School. We work hard to enhance the educational experience and create memorable moments for our school community throughout the year.

Upcoming Events

Nickels Volleyball Night - Thursday, September 25 Join us for a fun evening of volleyball! This event offers free admission for all Nickels students and their immediate family members, plus we have a special treat planned for our students. While this is a free event, any donations would be greatly appreciated to help support our programs. Sign up here: <https://givebutter.com/BCVB2025>

5th Grade Harvest Party - Friday, November 14 Mark your calendars for this after-school celebration from 3:00-4:30pm! Tickets will be \$3 per student. We'll send another email with more details as the date approaches.

Our Fundraising Approach:

FIT understands that fundraising can add to parents' mental load, so we've chosen to keep things simple by using Givebutter as our primary fundraising platform. Our donation link will remain open throughout the entire school year, with each classroom working toward a goal of \$1,000. When your child's classroom reaches their goal, they'll be rewarded with an ice cream party from FIT!

All funds raised directly support our students, teachers, and staff through various programs and events. FIT proudly covers the cost of each student's field day t-shirts and provides ongoing staff support and encouragement throughout the year.

2025-26 Fundraiser Launch:

Our fundraiser kicks off today with a goal of raising \$20,000 to keep FIT running strong for another fantastic year. You can easily donate here: <https://givebutter.com/FIT2025> or send cash/checks to school with your child. Please send donations in an envelope marked “**Nickels FIT Fundraiser**” and drop them off at the school office.

We completely understand that the beginning of the school year comes with many fees and expenses, so please donate when the time feels right for your family. **Every contribution, no matter the size, makes a difference and is greatly appreciated!**

We couldn't accomplish what we do without the generous support of our community sponsors. Here are the wonderful businesses that supported us last year:

Student Pick up and Drop off (New Driveway Entrance for Nickels) :

Dear Parents and Guests-

The following diagram shows the directional flow of how pickup, drop-off, and parking will occur before, during and after school at Nickels Intermediate. Please note that the pickup/drop-off lanes directly in front of the building are one way and counter-clockwise. Students should exit to the sidewalk on the passenger side of your vehicle. Please be sure to pull forward if space allows along the curb. Once your student is safely dropped off, it is ok to pull out into the exit lanes. **Do not use the middle lane for entering Nickel's driveway.** Please continue to use the designated drop off/pick up loop when dropping off or picking up your student at school. **Please do not use the bus loop (west of the school), the main drive between West and Nickels.**

After school dismissal, students at Nickels will get on a transfer bus and ride it over to the bus rodeo (located at Heritage Elementary), students will transfer to their home bus at this location. In the past, some parents came to the bus transfer area (bus rodeo) to pick up their kids. We are asking that you avoid picking up your students from the bus transfer area. Our bus riders will load and unload buses on the far west side of the building in a separate and protected lot designated for this purpose. When picking up your student at the end of the school day please exit towards 84th street.

Medication Consent Form 25/26

Medication Policy Reminders:

1. If your student needs to take medication while at school they **MUST** have a medication consent form completed.

Prescription meds require BOTH a parent/guardian AND a physician signature. Over the counter (OTC) meds require a parent/guardian signature only. No student will be administered medication without the proper consent forms.

2. Please remember that students are **NOT** allowed to self carry ANY medications (prescription or OTC) per our district policy **UNLESS** it's an emergency medication and we have the appropriate forms completed and signed.

3. All medications must be stored in the office and brought to school by a parent/guardian. They must be in the original container with the appropriate label (and not expired). We will not accept any medications in baggies, envelopes, etc.

Amy Voiles RN-BSN Direct Phone: 616-878-6414 Fax Number: 616-345-1924

Cell Phone Expectations and Consequences:

Our policy states that all cell phones must be off and stored in a student's locker (or homeroom teacher's classroom) from 7:30-2:50 each day. This policy is a three strike system. Please review the consequences below with your student to ensure understanding of cell phone use at school.

Cell Phone Policy (Electronic Device Policy)

1st Offense – Device is taken away for the remainder of the day.

2nd Offense – Device is taken away, parents are called, and parents must come pick up device from school.

3rd Offense – Parent is called and device is banned permanently from the school for the remainder of the year.

Our goal with this policy is to help all students focus on learning throughout the school day. Thank you for partnering with us!
