Counselor's Corner:

Counselor Introduction:

It has been an exciting couple of weeks welcoming all the students back for another awesome school year! I wanted to take this opportunity to introduce myself to our new families in the building. I am Shelley Pero, the School Counselor here at Nickels! I will be visiting 5th grade classrooms in the coming weeks to introduce myself and explain the process of how they can connect with me and what opportunities we have to offer. Student referrals come to me through teachers, parents, and student self-referrals. If you have any questions about what I can do to support your student or if you would like for me to schedule a check-in now or in the future, please feel free to reach out. I look forward to continuing to work with familiar faces from last year as well as continuing to meet many more new ones! 🌻

Counseling Groups:

It is almost time to start counseling groups here at Nickels! Counseling groups (often called lunch or small groups) are offered once a week during lunch and recess and meet for 8-10 sessions. If your student is interested in any of the topics offered (see list and sign-up [HERE](#)), please be sure to fill out the digital form or contact the school for a hard copy. Topics will be offered based on demand, and if the topic your student is interested in isn't offered in the fall, there is still a good chance it will be offered later in the year! If you would like more information about any of these small groups or have any questions

please feel free to contact me at 878-6418 or spero@bcpsk12.net. 🍂

Thank You! *[Shelley Pero School Counselor](#)*

[Medication Consent Form 24/25](#)

Medication Policy Reminders:

1. If your student needs to take medication while at school they MUST have a medication consent form completed.

Prescription meds require BOTH a parent/guardian AND a physician signature. Over the counter (OTC) meds require a parent/guardian signature only. No student will be administered medication without the proper consent forms.

2. Please remember that students are NOT allowed to self carry ANY medications (prescription or OTC) per our district policy UNLESS it's an emergency medication and we have the appropriate forms completed and signed.

3. All medications must be stored in the office and brought to school by a parent/guardian. They must be in the original container with the appropriate label (and not expired). We will not accept any medications in baggies, envelopes, ect.

This month I would like to talk about ADHD. ADHD is something that is very near to my heart. As a mother of boys who have it, I understand the weight that families can feel as they navigate it. Too often I hear that boys are just being boys and they just are not organized. While there may be some truth to that, I believe that children and adults with ADHD, brains are wired differently. They have a lot of impulses firing and it is hard for them to navigate those thoughts at times. When a person has ADHD, they can often struggle with low self esteem. They feel that they are different then others and it can cause anxiety when they impulsively act. Extending grace to our students is key. It can be helpful to have a student sit closer to you and with less distractions. Learning can be harder, dyslexia is more common in a child with ADHD. Also, they may start a project eagerly and then lose interest and become overwhelmed. I have attached two pictures about ADHD, they are very informative and helpful to understand the different types of ADHD and explain ADHD in further detail.

I hope you all have a wonderful September and enjoy soaking up the beautiful weather. Until next month. Be well.

Student Pick up and Drop off:

Dear Parents and Guests-

The following diagram shows the directional flow of how pickup, drop-off, and parking will occur before, during and after school at the new Nickels Intermediate building. Please note that the pickup/drop-off lanes directly in front of the building are one way and counter-clockwise. Students should exit to the sidewalk on the passenger side of your vehicle. Please be sure to pull forward if space allows along the curb. Once your student is safely dropped off, it is ok to pull out into the exit lanes.

Please also note that there are two exit lanes heading back out to the main drive where you will turn right to exit to 84th St. Please continue to use the designated drop off/pick up loop when dropping off or picking up your student at school. Please do not use the bus loop (west of the school) or the parking lot to pick up or drop off your student.

For the 2024-2025 school year, our bus transfer (bus rodeo) location is at Heritage Elementary. Students at Nickels will get on a bus and ride over to the bus transfer, then get on their home bus before traveling home. In the past, some parents came to the bus transfer area (bus rodeo) to pick up their kids. We are asking that you avoid picking up your students from the bus transfer area. Our bus riders will load and unload buses on the far west side of the building in a separate and protected lot designated for this purpose. When picking up your student at the end of the school day please exit towards 84th street.
